

VEET/REES Retrofit Installer Course

This course is the mandatory training you need to install light globes, shower heads, draft proofing and chimney balloons under the Victorian VEET scheme. It is suitable for the SA REES scheme also.

Course duration:

Beginners – 2 days

Students with experienced who meet Recognition of Prior Learning (RPL) requirements - **1 day**

All training days are 8.30 am - 4.30pm. **Training Commences at 8.30 am sharp**

NO LATE ENTRY PERMITTED

** If you do not meet RPL requirements and are NOT an experienced installer, you will need to enrol in a **2-day** course

What you will learn:

- How people use and waste energy and water in their homes and ways
- VEET/REES scheme rules and guidelines
- Procedures for working safely as an Installer
- How to install home energy and water saving devices including theory and practical on
 - Compact fluorescent light globes
 - Low flow showerheads
 - Draft proofing
 - Standby powerboards (SPC's)
 - Chimney balloons

Assessment: You will need to complete an assessment involving **written questions** and **practical tasks** in order to pass this course and obtain the Statement of Attainment (certificate) you need to work in the VEET/REES scheme.

Decide if this course is right for you:

- 1) The 1-day course is specially designed for installers who already have some **experience** working in the VEET/REES scheme. You will need to apply for recognition of prior learning (RPL) by providing us with a “**Supervisor/ Third Party Form**” (see website) **signed by your supervisor** confirming your existing skills and knowledge. We will assess your prior learning on registration for enrolment on training day – if you do not have enough prior learning to complete this course, you will need to enrol in the 2-day course at an additional cost – please contact us for details.
- 2) Please advise us prior to commencing the course if you have any **language or learning needs or a disability** that could affect your ability to undertake and complete the course. We will make sure we deliver your training to suit these needs.

How to register for this course:

STEP 1 - Go to the VEET/REES Retrofit Enrolment page at www.greenrto.com.au

STEP 2 - Fill out the online enrolment form

STEP 3 – Read our Fees Terms and Conditions policy and complete your payment
